SMSC POLICY
(Spiritual, Moral, Social & Cultural)

Written February 2018
Review date: March 2019

Mission Statement

This policy is carried out within the context and spirit of the school's vision for excellence. It supports and reinforces the aims of Lansdown Park Academy, valuing all students equally and as individuals. All staff work together to create a happy, challenging, stimulating and caring environment in which students can enjoy their time at school and celebrate their achievement.

The Academy strives to build a community which encourages all its members to develop a healthy respect for each other. In addition, we provide a happy, stimulating and caring environment where there are opportunities, encouragement and stimuli to develop each student to her full potential.

This policy relates to the whole life of the school and its role in promoting spiritual, moral, social and cultural development (SMSC) by the example set by adults in the school and the quality of relationships they espouse.

1. Spiritual Development

Aim

This area relates to the beliefs, feelings and emotions through which students acquire worthwhile insights into their own lives. All areas of the curriculum may contribute to spiritual development. Although education and spiritual development are not synonymous, school experiences can make a significant contribution to spiritual development.

Objectives

At Lansdown Park the students will be provided with opportunities to develop their spiritual understanding by experiencing a curriculum which will:

- Develop their self-esteem, self-knowledge and belief in themselves;
- Allow them to develop a range of personal values and beliefs based on a sense of curiosity and respect towards their own and other beliefs;
- Explore the spiritual values of others through stories, drama, music, art and citizenship and PSHE
- Allow them to express themselves in a variety of ways and give them time to reflect on their own experiences;
- Allow them to understand, express, use and control feelings and emotions as well as encouraging empathy in terms of relationships with others;

In Practice at Lansdown Park Academy this is delivered through:

- A PSHE programme of study which develops self-esteem and knowledge and an ability to reflect on and develop individuals own spiritual values;
- A mentoring programme which utilises tutoring to involve all years in opportunities for themed discussion, reading (both fiction and non-fiction) and competitive quizzes to encourage learning and develop an awareness of core values as soon as students arrive;
- An assembly programme to address the spiritual aspect of quiet and reflection – in particular using past and present role models from the world and encouraging community participation;
- A student support structure that is focused on learning and providing appropriate information advice and guidance for students as well as opportunities to explore pathways of development;
- Educational enrichment trips, creative partnerships and visiting speakers provide students with a range of experiences, which may promote a sense of awe and wonder about the world;
- A reflective approach to learning through formative assessment techniques – students having ownership and understanding of where they are, where they need to get to and how they are to do it;
- A rewards system developing student self-esteem through certificates, phone calls home, rewards trips and termly reward incentives.
- Displays of student work bring a sense of pride in the work students produce and therefore a sense of expressing the talents of the individual
- The use of school council to involve students in the life of the school.

2. Moral Development

Aim

Moral development refers to the students' knowledge, understanding, intentions, attitudes and behaviour in relation to what is right and wrong. The academy has a well-established Engagement Policy and staff promote a supportive approach to the management of challenging behaviour.

Objectives of the code of conduct are to promote the concept of excellent behaviour by being:

- Kind and considerate
- Helpful to others and listening to what they have to say
- Quiet around the school holding appropriate conversations
- Committed to school and classroom rules.
- Committed to a healthy, safe and environmentally friendly school
- Committed to looking neat, clean and tidy with a pride in the Lansdown Park uniform
- Equipped and ready for learning

In practice – at Lansdown Park Academy this is delivered through:

- Clear models of good behaviour from staff and reinforcement of school and classroom rules both inside and outside of lessons
- A student support department and structure used by all staff that is focused on conflict resolution and restorative justice.
- Themed tutor time/behaviour review and discussions based on moral issues, where appropriate, across the school community from the start of the day in tutor time and across all lessons.

- Assembly themes on moral issues, developed and reinforced during tutor time/behaviour review
- Fund raising activities for nominated charities, in addition to national charity events which give rise to discussion around morality.
- Termly sports matched against other schools and inter-school sport to instruct on morality in different situations.
- Supervised and filtered access to the Internet together with regular assemblies focused on the dangers of the internet and related issues.

- PSHE programme for Years 3-9.
- Participate in the wider community through work experience and organised projects.
