Dear Parent/Carers

Parent/Carer Academy Councillors

I am writing to inform you of a vacancy on the Academy Council of Lansdown Park Academy for a Parent/Carer representative.

Each parent/carer of a pupil attending Lansdown Park Academy has the opportunity of putting their name forward with a view to becoming an Academy Councillor.

The main functions of the Academy Council are:

- to ensure clarity of vision, ethos and strategy across Lansdown Park Academy
- to hold the Headteacher to account for the educational performance of Lansdown Park Academy
- to ensure Lansdown Park Academy spends its money effectively.

A parent/carer member of the Academy Council gives a parental perspective in discussions and decisions. It would also be expected for the parent/carer member to bring a range of skills that will help them to contribute effectively to the work of the Academy Council.

Being a member of the Academy Council is a commitment and it is important to understand that, in order to contribute effectively, all Academy Councillors are expected to be committed in upholding the values of the Academy.

Members of the Academy Council should attend and contribute to meetings and visit the Academy throughout the year to make observations and be proactive in seeking ways the Academy could further enhance outcomes for our pupils.
